ACKLINGTON MART

SATURDAY 15th JULY 2017

North East Livestock Sales conducted another exceptionally successful sale on behalf of S.O.S farms Ltd, Newcastle upon Tyne. The high quality arable machinery on offer attracted a large turnout of buyers and telephone bidders from all parts of the UK, Ireland and Europe. The success of the sale was due to the well-maintained condition of the farm machinery and the hard work of the vendors, Jeff and Bob Oliver, in preparing the lots for sale.
